

INCLEMENT WEATHER POLICY

The Following will be put into effect each time there is an occurrence of inclement weather that makes traveling to and from church hazardous:

Weekend/weekday Masses will be celebrated as scheduled. They will not be canceled.

All church meetings, classes (including Faith Formation and other scheduled programs and events will be canceled and the office will be closed for the duration of the inclement weather. (A general rule: if Wake County schools are closed due to inclement weather, then so are we!)

All staff, paid and volunteer, are NOT required to travel to the church grounds.

NOTE** In the event of inclement weather, common sense is to prevail. All meetings will be canceled. The building will be closed with the exception of weekend and weekday Masses. The parish will not assume liability for those who disregard this policy. Even though Masses will not be canceled, in the event that travel to Mass is precarious the Faithful of this parish are dispensed from the obligation to attend Mass.
